Department of Slavic Studies—lecture series. "Polish Heroes and Themes." President A. P. Coleman, Alliance College. Room 8, University College. 5 p.m.

Royal Ontario Museum—"Ontario Before Champlain" course. J. N. Emerson, lecturer. Room 64. 8 p.m.

Hillel Foundation meeting. Leo Schwarz, New York, lecturer. Theatre. 8 p.m.

THURSDAY, NOVEMBER 23rd

University College—lecture series. "Dr. Johnson and the Ghost." Professor W. D. B. Grant. Room 8, University College. 5 p.m.

Royal Ontario Museum—"Nineteenth Century England" course. "The Great Exhibition of 1851." Professor Gerard Brett. Room 64. 8 p.m.

"Twenty Thousand Years of Mexican History" course.

Kenneth E. Kidd, lecturer. Room 73. 8 p.m.

American Institute of Electrical Engineers—Toronto Section meeting. "High Voltage Transmission." Dr. P. L. Bellaschi. Room 21, Electrical Building. 8.15 p.m.

FRIDAY, NOVEMBER 24th

Royal Ontario Museum—Production of "The Willow Pattern" by Chinese Young People of Toronto. Theatre. Also Saturday. 8.30 p.m.

SATURDAY, NOVEMBER 25th

Hart House Theatre—"Medea." A Hart House Theatre Production. Through Saturday, December 2. 8.30 p.m.

Royal Canadian Institute—"Heat Energy and Man." Dean K. F. Tupper. Convocation Hall. 8.15 p.m.

SUNDAY, NOVEMBER 26th

Royal Ontario Museum—University of Toronto Film Society meeting. 2 p.m.

TUESDAY, NOVEMBER 28th

Royal Ontario Museum—"Design in the Decorative Arts" course. Visit to Central Technical School to study Pottery-making. B. Cogill Haworth, lecturer. 2.30 p.m.

Royal Astronomical Society of Canada—Toronto Centre. "The Atmospheres of the Planets." Dr. Gerhard Herzberg. McLennan Laboratory. 8 p.m.

WEDNESDAY, NOVEMBER 29th

Department of Slavic Studies—lecture series. "Russian Literary Politics Since the War." Professor E. J. Simmons, Columbia University. Room 8, University College. 5 p.m.

Royal Ontario Museum—"Ontario Before Champlain" course. J. N. Emerson, lecturer. Room 64. 8 p.m.

THURSDAY, NOVEMBER 30th

University College—lecture series. "The Use and Abuse of the History of Thought." Professor D. P. Dryer, Room 8, University College. 5 p.m.

Royal Ontario Museum—"Nineteenth Century England" course. "Furniture." F. St. G. Spendlove, lecturer. Room 64. 8 p.m.

"Twenty Thousand Years of Mexican History" course.

Kenneth E. Kidd, lecturer. Room 73. 8 p.m.

EXHIBITIONS

ROYAL ONTARIO MUSEUM

A special exhibition, "New Finds in the Chinese Library," will be on display from October 18 to December 11 in the Special Exhibition Gallery, Main Floor.

A special exhibition of a collection of English silver, porcelain, etc., presented to the Museum by Mrs. F. N. G. Starr in memory of her husband, the late Dr. Starr, will be opened October 27 in the 18th Century English Gallery, Main Floor.

ALUMNI HALL, VICTORIA COLLEGE

Pictures by E. Grace Coombs (Mrs. J. S. Lawson) will be on exhibition from October 23 to November 20.

There will be a general exhibition of recent works by Will Ogilvie from November 20 to December 20.

THE ART GALLERY OF TORONTO

Canadian Group of Painters exhibition will be held from November 2 to December 16.

Honours Received

Dr. Ray F. Farquharson received an honorary degree of doctor of science from the University of British Columbia and was guest speaker at the special convocation marking the establishment of the Faculty of Medicine at that University.

Officers Named

Professor B. Wilkinson is Honorary President of the History section of the Ontario Educational Association.

L. L. Snyder was elected to the Council of the American Ornithologists' Union at the Society's annual meeting in Minneapolis.

Professor S. Jaffary has been appointed Co-Chairman of the Programme Committee for the annual meeting of the American Association of Schools of Social Work to meet in Toronto, January 24-27, 1951.

Professor Alan Klein has been appointed Vice-Chairman of the North York Recreation Commission.

Professor John Morgan has been elected Vice-Chairman of the Public Welfare Division of the Canadian Welfare Council.

Conferences Attended

Professor R. M. Saunders, M. R. Powicke, John Coleman and Father G. B. Flahiff attended a conference of Canadian and American historians at Cornell University, September 8-11, to discuss the question of "The Place and Function of the Christian Historian in the Modern University."

Professor Edgar McInnis was a guest speaker at the Hazen Conference of the Pacific Northwest on Vancouver Island last June.

Professor R. Alex Sim was assistant director of UNESCO's International Seminar on Adult Education at Salzburg, Austria, in July and August. He led a group on Economic and Social programs in Adult Education and presented a paper, "A Sociological Approach to Adult Education Programs." In August he was a guest of a Folk College of "Popular Culture" for South-east France, Le Centre des Marquisants, Annécy, Haute Savoie.

Dr. W. E. Blatz attended meetings of the International Psychological Convention, in England, October 1-15.

Dean Emeritus W. P. M. Kennedy has been at Quebec City attending the Federal-Provincial Constitution Conference on the staff of the Prime Minister and Attorney-General of Ontario.

Dr. Hoyle Campbell attended the British Columbia Medical Association Golden Jubilee in September.

Professor E. R. Arthur addresses the annual meeting of the New York Chapter of the American Institute of Architects at Syracuse on November 3.

At the invitation of the Humanities Research Council of Canada the following papers were presented in a symposium on the cultural and intellectual development of Central Canada during the nineteenth century held at the Regional Conference on the Humanities in Kingston in June: Professor J. M. S. Careless, "Mid-Victorian Thought in Central Canadian Journalism, 1850-1867"; Professor C. T. Bissell, "Literary Taste in Central Canada during the Late Nineteenth Century"; Professor J. A. Irving, "The Development of Philosophy in Central Canada from 1850 to 1900." The three papers were published in the September number of the *Canadian Historical Review*.

Professor H. M. Cassidy and Professor S. K. Jaffary attended the Canadian Conference of Social Work held in Vancouver in June. Dr. Cassidy conducted a workshop on Dominion-Provincial-Municipal relations and gave several addresses.

Professor Alan Klein attended the National Parks and Recreation Association's conference in Montreal in August.

Dr. R. J. Godfrey was the Faculty of Dentistry's representative at the Northern Ontario Dental Association meeting in Sudbury on September 9. Drs. R. E. Moyers and G. W. Johnston presented lectures and clinics in their respective subjects. Dr. J. H. Johnson also attended the convention.

Dr. P. G. Anderson represented the Faculty of Dentistry at the Eastern Ontario Dental Association meeting in Ottawa, September 17-19.

Professor T. F. McIlwraith addressed the annual meeting of the Society for Colonial History, affiliated with the New York State Historical Society, in Rochester, on September 22, on "Viking Remains from Lake Nipigon."

Professor K. B. Jackson gave a paper on "Stereoscopic Projection as a Visual Aid" at a Photogrammetry Seminar cosponsored by the University of Denver, the American Society for Engineering Education and the American Society of Photogrammetry, held at the University of Denver, August 7-11. Professor Jackson gave a lecture on "Photography for Two Eyes" to the Science Association of the National Research Laboratories, Ottawa, October 11.

Drs. R. R. McLaughlin and R. M. Husband attended the Advisory Committee meeting on Forestry Research of the Research Council of Ontario, at Cornwall, September 7-8.

Professor D. N. Cass-Beggs attended the National Electronics Conference in Chicago, September 26-27.

Dr. L. E. Jones represented the University at the Mechanical Engineering Building Dedication and the Mid-western Conference on Fluid Dynamics at the University of Illinois in May.

Drs. G. R. Lord and L. E. Jones presented papers at the joint meeting of the American Society of Civil Engineers and the Engineering Institute of Canada held in Toronto in July.

Dr. Bruce Chalmers attended the American National Research Council Conference on "Crystal Imperfections and Grain Boundaries" held at Pocono Manor, Penn., October 12-14.

Dean K. F. Tupper and Professors O. J. Marshall, I. W. Smith, G. F. Tracy and W. J. T. Wright attended the annual meeting of the Upper New York Section of the American Society for Engineering Education in Buffalo, October 14-15.

Dr. D. H. Hamly attended a Symposium on Proposed New Biological Colour Standards, at the Fifth American Horticultural Congress, East Lansing, Mich., on October 28, and presented a paper on "The Use of Colour Standards in the Biological Sciences."

Staff Notes

In July Dr. V. B. Meen led an expedition to investigate a large crater in the northernmost tip of Ungava, Quebec. His preliminary findings indicate that this is a meteoric crater and is the largest so far discovered.

Dr. W. Line recently returned from the World Federation for Mental Health meetings held in Paris, France, August 26 - September 10, at which time he took over the President's chair for the term 1950-51. His inaugural address was entitled, "A World Forum Challenges the Social Sciences." On his return flight he conferred with Department of Education and Mental Health officials in Newfoundland.

Dr. Healey Willan has retired as professor in the Faculty of Music, but retains his post as University organist. Dr. Willan was honoured on October 14 when a recital of his choral and organ music was given in St. Paul's Church with Dr. Charles Peaker as organist, and Dr. Willan's St. Mary Magdalene Gallery Choir and the Choir of St. Paul's Church participating.

Professor E. R. Arthur has been elected a Fellow of the Royal Society of Arts, London.

Professor C. D. Rouillard has returned to University College after a seven months' leave of absence. Except for a short visit to Greece and Turkey, he spent most of his time in research in the libraries of Paris. He also represented the University of Toronto at the Descartes Tercentenary celebrations at the University of Poitiers.

Professor Ralph Flenley has leave of absence for the session.

Kurt L. Levy spent the summer in Columbia collecting material on the life and work of Tomás Carrasquilla, outstanding Columbian novelist.

T. L. C. Dawson addressed the Travel Club of Toronto on October 16 on various aspects of Spanish Literature.

Dr. F. M. Heichelheim spoke on "Jewish History from the Maccabees to Hadrian" during a Forum Discussion of the Jewish Community Month on October 29.

Professor A. S. Michell is now in the United States for a year's study in Logging and Wood Utilization. M. M. Dixon of the Kimberly Clark Corporation is giving courses in the Faculty of Forestry in Professor Michell's stead.

Professor Alan Klein recently directed a four-day Institute on community organization for the Ontario personnel of the National Film Board. Professor Klein addressed the Ryerson Institute for Executives and Technicians in the television field in October on "Social Aspects of Television."

Extramural lectures were recently given by Dr. G. C. Hare before the Bay of Quinte Dental Society at Belleville, by Dr. J. Kreutzer before the Muskoka-Simcoe Dental Society at Camp Borden, and by Dr. M. N. Rockman before the Kent County Dental Society at Chatham.

Professor T. F. McIlwraith has been elected a corresponding member of the Sociedad Argentina de Americanistas, with headquarters in Buenos Aires.

In view of his contributions in the field of rabies, Dr. A. J. Rhodes has been asked to serve as a member of the WHO Panel on that subject.

Professor W. C. Macdonald spent the summer in the Chemical Engineering Division of the Atomic Energy plant at Chalk River.

Professor D. N. Cass-Beggs spent the summer in Saskatchewan as consultant on the problem of planning to meet future power needs in the province.

Professor S. E. Wolfe was engaged during the past summer with Dr. E. S. Moore in a regional geological survey of the Porcupine area. This is the second year he has assisted in this work. Earlier, Professor Wolfe made an appraisal in association with Dr. O. W. Ellis, Ontario Research Foundation, of the damage done to the metallurgical products of the Cobalt Chemical and Refining Company, resulting from a plant fire.

Professor Mackay Hewer spent July and August at Chalk River in the Isotope production laboratories of the Atomic Energy Project.

Professor E. A. Allcut addressed the Optimist Club of Toronto on October 11 on "Atmospheric Pollution."

Faculty and Department Notes

In the Department of Physics, Professor W. H. Watson spoke on "The Radioactivity of the Neutron and some Speculations about Nuclei" at the first seminar meeting on October 12.

An eye bacteriology laboratory has been started at the Banting Institute in the Department of Ophthalmology, under the direction of Dr. H. L. Ormsby, assisted by Dr. G. G. Cousineau who has been appointed a Hermant Fellow. The laboratory will serve in close liaison with the Department of Ophthalmology and Bacteriology. Ophthalmologists may refer their private cases to the laboratory for investigation.

The Faculty of Medicine is giving a combined Refresher Course in Ophthalmology and Otolaryngology during the week of January 29, 1951. Dr. P. S. Thygeson, University of California, and Dr. C. E. Iliff, Johns Hopkins University, will be guest speakers in Ophthalmology, and Dr. LeRoy Schall, Harvard, and Dr. G. E. Tremble, McGill, will be guest speakers in Otolaryngology. There will be surgical and medical clinics in addition to lectures by Faculty members. Application may be made to the Dean not later than November 30.

A Tonometer Testing Station has been established at the Banting Institute as a service to the ophthalmologists in Canada, with funds provided by the Federal Government under a grant for the prevention of blindness from Glaucoma.

The Faculty of Music will be host to music educators of Ontario on November 25, when the annual band and orchestra clinic is officially opened in the Conservatory Recital Hall by Dr. Sidney Smith.

Maud Karpeles, International Folk Music and Dance Society, noted authority on English and American folk song, was guest lecturer on October 26 in the Conservatory Score Study series.

The Faculty of Dentistry has prepared a series of twelve Continuation Courses of one week's duration for graduates in dentistry. The first two courses, "Anatomy as Applied to Dentistry," under the direction of Dr. J. C. Watt, and "Periodontics" under the direction of Drs. H. K. Box and C. H. M. Williams, were well attended by both Canadian and American members of the profession.

The School of Social Work has received three new awards—the Norah-Frances Henderson Memorial Scholarship donated by the Ontario Association of Children's Aid Societies, \$1000 in awards from the Liquor Control Board of Ontario and a \$200 prize to be donated for three years by the Ontario Council of Christian Education, the latter two for research projects dealing with the social implications of the consumption of alcoholic beverages.

Appointments, Promotions

Dr. R. M. Husband has been appointed assistant professor of Cellulose Industries in the Department of Chemical Engineering, Faculty of Applied Science and Engineering. A graduate of the University of Saskatchewan, Dr. Husband obtained his Ph.D. degree under Dr. C. B. Purves, Pulp and Paper Institute, Montreal, and has been carrying on research at Ohio State University.

Dr. K. J. R. Wightman has been named professor in charge of therapeutics in the Department of Medicine to succeed Dr. Robert Kerr.

Dr. L. I. Strakhovsky has been appointed Visiting Professor in the Department of Slavic Studies for 1950-51, in Russian literature and history. Dr. J. Genyk-Berezowsky has been appointed lecturer with special reference to Polish and Ukrainian. Dr. V. Litwinowicz has been appointed special lecturer to give Slavonic philology.

Professor Antonio Heras, formerly head of the Department of Spanish, University of Southern California, has been appointed Visiting Professor in the Department of Italian, Spanish and Portuguese. A native of Spain, and graduate of the University of Madrid, Professor Heras' main interest is in creative writing, and he has published many original poems, essays, novels and short stories. He will teach modern Spanish literature to Third Year Honour Course students and Spanish literature of the Golden Age to Fourth Year Honour students, and also give a graduate course on the Ideology and Literary Technique of Góngora, Unamuno, Azorín and Baroja.

Dr. A. H. Shephard of the University of Iowa has joined the staff of the Department of Psychology as assistant professor. Dr. E. W. Bovard has joined the Department of Psychology to assist in the Mental Health Programme which is supported by a grant from the Provincial Government. Dr. Bovard will have the rank of associate professor.

Miss A. L. Cook has been promoted to the rank of assistant professor of French, Victoria College.

F. C. Stokes has been promoted to assistant Superintendent of Buildings and Grounds, Victoria University.

New appointments to the staff of field supervisors in charge of field work units for the School of Social Work are: Miss Margaret Cork, Miss Mabel Collins-Williams, David Critchley, Miss Margaret Learoyd, and Miss Monique Trottier.

The Library

New titles added to the library (by subscription) since September 15:

Experimental cell research.

The Month; a review of literature, art and belief.

Royal Canadian Institute exchanges recently added to the University Library catalogue:

Great Britain. Chemical research board. *Report.*

Great Britain. Fire research board. *Report.*

Great Britain. Food research board. *Food science abstracts.*

Great Britain. Food research board. *Leaflets.*

Great Britain. Food research board. *Memoirs (reprints).*

Great Britain. Food research board. *Technical papers.*

Great Britain. Fuel research board. *Fuel research abstracts.*

The University of Toronto Press
